Can you discuss what is in the service philosophy eg with families or an authorised officer?					
Does the philosophy include the values and practices that are important for your service eg equity and inclusion?					
Can you explain how the philosophy					
• guides your curriculum planning and evaluation?					
• guides the decisions you make every day at the service?

• supports the principles and practices of the My Time Our Place Learning Framework?					
• supports the NQS and our goal of continuous improvement?					
• aligns with the service current priorities and approaches to practice?
