

The expertise, culture, values and beliefs of families are respected and families share in decision-making about their child's learning and wellbeing.

### Section 9 - Educational Leader and Nominated Supervisor

**First step:** We must ensure the Law and Regulations are always met. **Second step:** then we look at the NQS and work through the process of meeting the element. **Third step:** then we can look at and complete the exceeding themes.

The logo above shows the effort required to do these three components. It should be easy and take little time to meet the Law and Regulations once you know what is required. Meeting then can become everyday practice, while exceeding takes a lot more time, thinking, connecting to families and community and practice change.

There are **6 things** that you need to do with your service and educators.

- (1) Review the points from the Law and make yourself familiar with them. Conduct the compliance test with your educators to check their knowledge.

Training

- (2) To help your educators learn watch this online video explaining Child Centred practice for element 1.1.2. Click below.

- (3) Add to your folder the daily planner so you can document and show the assessor how you

are working with educators. Use documents provided in this section.

- (4) Guide your educators to ensure they are at the meeting level, use the examples in the educators' section and the checklist to help you know exactly what is required.
- (5) Explore the exceeding themes with the examples in the educators' section and your section for critical reflection and families and communities.
- (6) Work with your Nominated Supervisor and edit the QIP (SAT for NSW) template provided by Centre Support to ensure it is reflecting your service's practices.

### Compliance test for educators

**Instructions: Nominated Supervisor is to** conduct the test. Ask one educator at a time in a location that other educators cannot hear or provide support to the educators being asked the question. Record the responses then analyse to see if the educators' responses would place you at risk of a fine. Finally, train the educators that fail to meet the regulations.

Miss Faith says sometimes the National Law uses the word 'prescribed' eg 'prescribed documents.' She asks what this means. Please explain.	The word 'prescribed' means 'outlined in the Regulations eg so in Law section 175 which says "An approved provider ...must keep the prescribed documents available for inspection, Reg 177 'Prescribed enrolment and other documents to be kept by approved provider' lists/outlines the documents that must be kept. The relevant reg will always refer back to the particular section of the Law. For example, Reg 177 starts out with "For the purposes of section 175(1) of the Law....."	
Mr Jordan asks why Law section 175' Offence relating to requirement to keep enrolment and other documents' is relevant for element 6.1.3 Families are supported. Why do you think it is?	It's important because a lot of the prescribed child-related records provide information about families and children's wellbeing, and can therefore be used to help implement element 6.1.3.	
Miss Thando asks if element 6.1.3 relates in any way to implementing EYLF. What do you think?	Yes it does. The EYLF/MTOP include the Principles 'Partnerships with Families' and 'High Expectations and Equity' and the Practice 'Holistic Approaches,' all of which are improved when element 6.1.3 is properly implemented.
